

JANORÀ Product Basics

Cleansing Oil / Balm

Breaks down makeup, sunscreen, and impurities while nourishing the skin. Gentle yet effective, it leaves the skin soft and prepped for the next step.

Water-Based Cleanser

Removes remaining dirt, sweat, and excess oil. Balances the skin without stripping it, ensuring a clean canvas for the next products in the routine.

Toner

Restores the skin's pH, refreshes, and lightly hydrates. Prepares the skin to absorb serums and treatments more effectively.

Serum

Concentrated formula targeting specific skin concerns like fine lines, pigmentation, dehydration, or dullness. Delivers actives deeply for visible results.

Moisturizer

Locks in hydration, strengthens the skin barrier, and keeps skin soft and supple. Applied after serum, it helps seal in active ingredients for maximum effect.

SPF / Sunscreen

Protects skin from UV damage, premature aging, and pigmentation. Crucial for day-time routines ALL YEAR ROUND.

Eye Cream

Targets delicate eye area concerns such as puffiness, dark circles, and fine lines. Hydrates and protects the thin skin around the eyes.

Neck Cream

Firms, smooths, and hydrates the neck and décolleté, areas often neglected but prone to early signs of aging.

Face Mask

Provides intensive treatment for hydration, detox, or exfoliation depending on type. Boosts skin's health and enhances the benefits of other products.

Exfoliator

Removes dead skin cells, smooths texture, and promotes cellular renewal. Prepares skin to better absorb products and reveal a brighter complexion.
